### Buying property in France: realizing your dream and avoiding pitfalls!

with Marie Galanti

Thursday, May 18 2006, 7pm

Do you dream of owning a pied-à-terre in Paris, or a villa in Provence?

- Where and when you should buy?  
How much should you pay?  
How do French taxes work?  
How much will it cost you to own the property, when you sell it, if you die...?
- What is the role of the French notary?  
How much do they charge? What are the various steps in purchasing the property?  
What if you want to sell? How can you protect your investment? Will you need a French will? Do you need a lawyer to assist you in your purchase?

These are some of the questions that Marie Galanti, Attorney at Law, will discuss during this seminar offered by the Alliance Française and the Club Français d'Amérique.

Marie Galanti practices law in Santa Rosa and San Francisco. She specializes in estate planning and international transactions. She was also the publisher of the Journal Français and France Today for many years and had followed the French real estate market for the last thirty years. Each year, she assists dozens of American clients with their real estate transactions in France.

Cost of the seminar: \$15 AF members, \$20 non-members. Please be aware there are only 20 seatings available. Reserve your place no later than Tuesday May 17. Refreshments and snacks will be provided during break. This seminar will be held at AFSR, 613 Fourth Street, Suite 200, Santa Rosa.

**Message de la Présidente**

Dear Members,

The month of April began with a beautiful recital of French songs performed by Mary Beard and Susan Witt-Butler that was a resounding success. I am very grateful for their generosity to the Alliance Française de Santa Rosa - Merci beaucoup! I also would like to acknowledge Jacqueline Lindenfeld who organized this recital. Without her dedication, it just would not have happened. We plan to repeat this event every year and we look forward to it. We are donating a part of the proceeds to the SRJC French language program.

This month we have the great pleasure to offer a seminar - Buying property in France - by Marie Galanti. Please join us and reserve your seat quickly as only 20 spaces are available.

We are getting ready for our General Assembly which will take place at La Gare Restaurant June 13 at 7pm. Please do join us for this annual event which is an important time for all the AFSR members.

Je vous souhaite un bon mois de mai !

Upi Struzak

**Nouvelles brèves****Un Français à la tête de l'Orchestre Symphonique de Santa Rosa.**

A la suite du départ de Jeffrey Kahane, six candidats étaient en lice pour le poste de chef d'orchestre, et c'est Bruno Ferrandis qui l'a emporté. Né en Algérie et élevé en France, il a fait de brillantes études musicales en particulier à Lyon, suivies d'une carrière internationale à partir de la France. Peu après le concert qu'il a dirigé à Santa Rosa le 11 février dernier, il a été sélectionné pour le poste de chef d'orchestre. Au cours de la saison 2006-2007 de l'Orchestre Symphonique de Santa Rosa, Bruno Ferrandis dirigera trois concerts, dont un le 14 octobre à l'occasion duquel nous l'accueillerons dans notre communauté française.

**Donation de Daphne Smith au Sonoma Land Trust.**

Daphne Smith, membre et ancienne présidente de notre chapitre AF, a fêté son anniversaire le 13 mars dernier de façon insolite et...fort généreuse: elle a fait cadeau au Sonoma Land Trust d'une maison historique, la "Queen Anne" sur l'avenue de Sonoma, La générosité de Daphne va permettre à cet organisme de poursuivre son travail de préservation de l'environnement à partir d'un siège permanent bien en vue au centre de Santa Rosa. Ajoutons que notre philanthrope a eu soin de faire repeindre la maison à ses frais avant d'en faire cadeau. Bravo, Daphne, et merci au nom de l'Alliance et de tous les enthousiastes de la Nature.

**Le Festival de Langues 2006 à Sonoma State University.**

Ce festival, organisé par le Département de Langues et divers Clubs de Langues de SSU, a attiré le 18 mars de nombreux participants venus (avec leurs professeurs de langues) de diverses écoles secondaires pour les concours du matin et le Cabaret de l'après-midi. Pour le français, il y avait entre autres un concours de diction (poèmes de Verlaine) au niveau "débutants" et au niveau avancé, suivi de présentations de poésie personnelle et de scènes de groupe sur vidéo. Les juges pour le concours de diction comprenaient deux membres de l'AFSR, Yvette Fallandy et Jacqueline Lindenfeld. Notre chapitre était également représenté par Anne Guével-Goldstone qui a parlé de nos cours.

### Dans la Cuisine avec Christine Piccin

This simple recipe is delicious all year round, alongside meat, poultry or fish. You'll be surprised how the salt tenderizes the potatoes and seasons them just enough, and it couldn't be simpler. Bon appétit!

*Potatoes Roasted in Sea Salt*  
makes 6 servings

- 2 lbs. very small potatoes, Yukon Gold or Red Bliss, scrubbed and trimmed
- 2-3 lbs. salt, either coarse sea salt or kosher salt

Preheat oven to 375 degrees. Arrange the potatoes in a shallow baking dish and cover with salt. Bake until potatoes are tender when pierced with a fork, 45 minutes or longer, depending on size. Lightly brush potatoes off with a clean cloth and serve hot. (Cool the salt and store for reuse if desired.)

*Proverbe du mois : « En avril, ne te découvre pas d'un fil ; en mai, fais ce qu'il te plaît. »*

Bonjour tout le monde,

The AFSR is booming these days. There are tons of new Ateliers and courses. Check them out and sign up. The more the merrier! The school wants to be true to its commitment to excellence. In order to do so, we conducted a survey with the members, which we already mentioned last month. It appears that you want more classes, more time slots, a wider array of offerings. In order to do so, we need to

Classes at the AFSR, with giggles and Champagne

Coming up soon ! Call us for dates and other questions

**French for Traveling: Intensive – 12 hours - \$180**

Beginning level – Minimum of 4 students for this Atelier

This class is designed for students who know nothing or very little of the language. Maximize your time in France, and make sure you don't miss anything. In this "Atelier", you will learn about what to say, how to say it, and also what not to say during your trip to France. You will learn how to pronounce words, greet people, how to get around, how to order food, get on a train, how to buy items, and so on.

**Les infos – 4 hours - \$60**

Advanced level – Minimum of 4 students for this Atelier

Come and join Anne in this class designed for students who speak the language pretty well already. Watch and discuss current events around France and the Francophone world. In this short "Atelier", we will watch an excerpt of the current news from French TV, and then casually discuss the events presented during the remainder of the hour.

**Just and only grammar: The Verbs Series - 4 hours - \$60**

Intermediate to Advanced level – Information for the required book upon registration.

Come and join Anne in this class designed for students who crave grammar drills (Yes!, there are a few of us like that out there.) In this short Atelier, we will take a journey through these tenses that are so often left off. We will go over the Compound Tenses (I had eaten breakfast before I got up), the Subjunctive (I wanted the train to wait, but it left without me), the Conditional (If only I had more time.) The last class will be a wrap-up of what we have learned. Anne promises it won't hurt.

**French Literature: Intensive– 7.5 hours - \$115**

Intermediate to Advanced level – Minimum of 4 students for this Atelier

This class is designed for students who would like to explore French literature throughout the ages. In this atelier, you will learn about poetry, a bit of history, a touch of philosophy.

attract new qualified teachers to fill in the slots.

We also looked around and compared our prices with other similar schools in the area. We discovered that similar programs were quite a lot more money. As a result, the board felt it was ok to raise the tuition of \$2 dollars an hour, starting in September. We will still be cheaper after the raise (with more programs to offer) than the other Alliance Francaise schools around.

We thank you for your understanding and hope that you will enjoy taking our wonderful classes: We want to do everything possible to make the school an even better place to be.

Classes with no time to express yourself.

OR

**French History and Literature – 6 hours - \$90**

Intermediate to Advanced level – Minimum of 4 students for this Atelier

This class is designed for students who know nothing or very little about French history and literature. The class is conducted in French. As a result, students need to be able to speak at at least an intermediate level. In this 6-session class, students will improve their French while learning about 6 milestone eras of French history. For each era, if time allows, there will be a brief presentation of a piece of French literature. Students will have opportunities to talk. Suggestions for era movies will also be given at the end of each class.

**Jeux de société : 5 hours**

Come, speak French, and (learn how to) play games such as Mille Bornes, la belote, le jeu de l'oie, Boogie, le mot le plus long, Le petit bac, ou le scrabble for one hour that one week. Who knows, that might inspire people to start a club. The purpose of this atelier is to speak French while having great fun.

**Aime Tévé ! – French MTV for High-school students**

Come and watch French MTV, and increase your vocabulary while having fun with other teens. In this atelier, you will watch a Franco-phone MTV excerpt and then study the song with fun activities.

Minimum of 4 students for this atelier

**Je tricote, tu tricotes, nous tricotons**

2 skills in one : Come and join Anne and learn how to knit while speaking French at the same time in this relaxed atmosphere.

Minimum of 4 students for this atelier
